RESTARTS.

- The second and the sixth walls (both, Part A) have only 29 counts, so: after count 28, you must do a ¾ turn on to the right and stomp (LF). After that, comes the tag and part B
- Wall number 9 (also Part A) has only 16 counts, so: after count 12 you have to do a step forward (LF), hold, stomp (RF) x2. The last one should be a stomp up, to remain the weight on the left and be able to restart Part A

TAG. After walls 2 and 6, you have to do a 3-count-hold, and then restart the dance (Part B).

ENDING. The last wall (number 16) is a Part A with only 18 counts, so: after count 11, you have to do a scuff (LF), heel brush-step forward (LF), heel brush-step forward (RF) and, brush-stomp forward (LF)
